

# CH-47 CHINOOK

## UK impact

The Royal Air Force's Chinook fleet has been flying for more than 40 years and will proudly be the first international operator of the Extended Range variant. As the world's most battle-tested, reliable and advanced heavy-lift helicopter, the UK's fleet has played a unique role in defence missions at home and abroad.

### 56

Aircraft for the RAF, with 14 Extended Range Chinooks on order.

### 54 UK suppliers

Delivering for the global fleet and supporting UK sustainment and training.

### 450+ workforce

More than 450 people are employed across the UK to maintain, upgrade and modify the RAF's fleet.

### 1000+ global fleet\*

Across 20 countries, generating an international customer base for UK industry.

Orders on contract as of July 2024\*
